Stakeholder Reflections

Stakeholder Reflections

Based on today's presentation, what are the changes in mental health at the state level that stand out for you?

Guiding Principles for Input

MHSA General Standards

- Community Collaboration
- Client and Family Driven
- Cultural Competence
- Wellness, Recovery and Resilience Focused
- Integrated Services Experience

Guiding Principles for Stakeholder Input

- Improve access to culturally appropriate services
- Improve quality of care
- Improve state accountability and outcomes
- Improve efficiency and effectiveness of community mental health system
- Include realistic implementation strategies taking into consideration available resources
- Fulfill organizational/policy/legal/statutory responsibilities

Tips for Participation

- Listen, don't worry about what you want to say and miss the good words of others.
- Don't repeat what has already been said. Share a brief sentence of support if you feel you need to say something.
- Write down your thoughts, read your statement, then offer your notes to the facilitator.

Break-Outs

Break-Out Question #1

Based on what you heard today, what opportunities do you see as a result of the transition at the state level?

Break-Out Question #2

Review Mental Health Functions Handout

Which entity should assume responsibility for the functions/programs listed?

What functions/programs are missing from the list?

Break-Out Question #3

What do you believe are the challenges associated with the changes to mental health at the state level?

How can these challenges be addressed?

Small Group Summary

Next Steps

What will come of this stakeholder process?

- Stakeholder comments and input will be compiled into a comprehensive report for DMH
- DMH will host a statewide webinar to report back to stakeholders on the themes from the Community Mental Health Stakeholder Meetings
- A summary of stakeholder input will be provided by DMH to the public in October 2011
